Dear Princeton Alumni, Family, and Friends,

Thanks to your participation and enthusiasm, the Princeton Club of Northern California ("PCNC") continues to be one of the best Princeton regional alumni associations in the world. We hosted many engaging events this year and have many more to come. You may check [pcnc.org](http://pcnc.org) for event listings.

PCNC is an entirely volunteer-run organization that receives no funding from the University. We urge you to consider joining as a member to help support alumni networking events. If you are interested in getting more involved with the club, please reach out to us!

The benefits of membership include:

- Access to members-only events
- Special member prices to events, including Princeton in the Sierra and PCNC holiday party
- Discounted membership at the University Club in San Francisco
- A bi-monthly electronic newsletter about upcoming PCNC events

**Please consider logging on to [pcnc.org](http://pcnc.org) to sign-up and pay for your membership dues online; this is much appreciated.** To pay for your membership dues by check, send a check made out to "PCNC" with the completed form below to the VP of Membership in the envelope provided.

Thank you for your support!
