OCTOBER 2008, VOLUME XXIV, NUMBER 2

Dear Princeton Club of Northern California members,

You may notice that this newsletter has a new format; in the interest of the environment and cost savings, we have decided to keep our printed publications brief and make sure that our online information (www.pcnc.org) is the most current and detailed.

The energy at this summer's sold-out Asian Art Museum tour was contagious and a fabulous reminder of the wonders of the Northern California Princeton community. Looking at the PCNC statistics for the last couple years, PCNC hosted 20% more events and had 50% higher attendance with more distributed geographic coverage in the most recent fiscal year(see chart).

I am excited to announce new leadership to keep this trend alive! Heather Kellman '99 has assumed the presidency of the Club. You may recall her 'last hurrah' event before she left for her MBA was the Bay Area Mini-Reunions at UCSF Mission Bay. She has a fabulously dedicated and experienced Board to support her in her goals for the Club, so please reach out to Heather personally at the Annual Dinner and welcome her into her new role.

With best regards,

Christina Cragholm '97 S'96
