

PRINCETON IN THE SIERRA

Sixth Annual West Coast Princeton Alumni Retreat – October 12-15, 2017

Fallen Leaf Lake, CA

Join us for the sixth annual Princeton University alumni weekend retreat at a spectacular location in the Sierra! This event in past years has been a huge success with over 150 attendees each year. Arrangements have been made for Princetonians to stay at the famed Stanford Sierra Camp on secluded Fallen Leaf Lake near Lake Tahoe. The Camp, which normally has a five-year plus wait list for the popular summer family weeks, offers two and three bedroom private cabins and lodge rooms with views of the lake and surrounding mountains. Delicious meals will be included. You will be able to enjoy a range of organized and on-your-own activities, appropriate for any age, including use of a full boat dock, magnificent hikes and mountain biking, swimming, fishing, nearby horseback riding and golf, a beach campfire, crafts, music, and lots of other fun things. It will be a great time to get together and enjoy an incredible weekend with old and new Princeton friends, as much for couples and singles as for families with children. Further details below. For questions, contact Josh Rafner '77 josh@rafner.com.
